

Eskmuthe Community Rowing Club

Fees & Costs – 2017/18

The club is committed to keeping fees at a reasonable level so that we are accessible to everyone however we have to cover costs and keep the boats in good condition.

The fees are reviewed each year prior to the AGM and announced in the minutes; however, this schedule brings the fees and other costs together for easy reference.

Type	Fee and notes
Annual membership	£30 per calendar year due at the AGM every year (March), £20 (concession)
Standard Row	£3 per rowing session, £2 (concession)
Rowing Card	£30 per card which covers 11 rows (the 11 th being free), £20 (concession)
Pre-membership taster	2 free rows
Regatta/Towing Fee	A £5 fee is charged per Regatta/Long distance outing – this will be collected by a nominated person on the day and passed to the Treasurer who then issues money to the boat towers at the GB Gov mileage rate.

Rowing fees will be put into the tin and cards ticked off after every row. Blank Rowing cards, for purchase, are kept in the tin. Any of the above monies can be handed to a cox or one of the committee members. Alternatively, they can be paid into the club's bank account. If money is put into the tin or into the bank account to pay for a rowing card or a membership fee please also drop a note to Helen Green (treasurer) at hgreene0308@gmail.com mentioning what's been paid and why.
